## EXPERIENCE

### **Entrepreneurship** — *Delegation, Distribution & Engineering*

2009 - PRESENT

Since my mid teens, I've started and scaled a variety of companies with the internet as my primary means of distribution.

Industries

- Physical Product Distribution (Wooden Swords)
- Web Dev
- Catering Services
- Membership Groups (NY Founders Slack)
- Mobile Dev

## YOUTUBE

### [VctrySam](#)

MONTH 20XX - MONTH 20XX

I make a new mobile app every 4ish days and use Youtube as my primary means of distribution.

It's all open source.

The goal here is to to have React Native (More specifically, the way that I write react native), be the only way to build mobile Apps.

EX:

- [SnapChat](#)
- [Pokemon GO](#)
- [Assassins Creed](#)
- ETC ETC

## GITHUB PROJECTS

### [VctrySam](#)

I release a new open source app every 4ish days in React Native.

## SKILLS

React Native

## LANGUAGES

English, Spanish
